All other events as noted on current agenda.

Upcoming Social: Thanksgiving Dinner-discussion taking place at the end of meeting.

Community Liaison: No report.

Clubhouse: Bill, Wandering Puffin; need volunteers for coffee. No permanent scheduled volunteers at present.

Vista Room: During the summer there will be cleaning one day/week instead of two days/week during the regular season

Charity: Sandy: All proceeds of \$74,000 pesos from the fashion shop went to the building project at Mama Bonita' shelter.

Morning Net: No report

Website: Patsy making excellent progress on new website additions with many photos and old news articles found for contributions to History of Club. Members are requested to continue to send any historical information, photos, or news articles.

Special Committee/Events:

Extended discussion regarding the annual Thanksgiving Dinner, which cannot be held any longer at Marina Palmira due to management and physical changes at this location. It was determined that attendance costs would increase due to the increase in turkey prices. After consideration of options, including Marina Palmira Restaurant as location, holding dinner at Clubhouse as an all volunteer effort, and using facilities at La Costa Restaurant, a motion was seconded and carried to have this function at La Costa Restaurant. Marina Palmira, insisting on a full service model, would charge too much money per person and would not allow for members to bring food onto their premises. The Clubhouse may not accommodate everyone and does not have the cooking facilities needed for the meal, in addition to too many other uncertainties such as weather complications. La Costa will allow the use of kitchen, with members performing set up and coordination of preparation etc., Marta approved plan, provided all beverages would be purchased at La Costa. No one can bring their own beverage or alcohol. A motion was seconded and carried to have the dinner at La Costa. After calls for any chairperson volunteer, no one responded at this time. A volunteer will be needed sometime in the next month or two to Chair this event.

FUTURE MEETINGS: Board meeting 10/10/2017; General Meeting 10/17/2016 and 11/21/2017. Motion seconded and carried.

The meeting was adjourned at 17:53 by Rainy Eastman, Commodore, after which the Speaker for the evening, Jeanne Socrates, was introduced.

Respectfully Submitted: Ricki McNeill for Jean Wise.

Revised at 10/10/17 board meeting: Richard made the motion to approve the minutes with the corrections, Teri seconded the motion.
