Minutes

Club Cruceros Board Meeting February 9, 2023

- 1. Call to Order Called to order at 4:02 by Commodore
- 2. Attendance Tom Murray, Mary-Jo Hood, Linda Keigher, Doug Monroe, Steve Brenner, Heidi Stagg, Kimberley Lafferty-Stonier, Sue Bell. Absent, Teri Hagen, Bob Walker. We have a quorum.
- 3. Additions to the Agenda
- 4. Recognitions and Opening Remarks It is a beautiful day and all is well in our world. The club is running really well and we are living up to our commitment to serving the boating community and the community at large. People are pulling their weight and more.
- 5. Minutes Secretary minutes were posted a week ago. There was an error, Patsy was listed as the treasurer accidentally. This has been changed on the digital version posted on the website. Tom moved to accept the minutes as posted on the web and MJ seconded. The motion was passed unanimously.
- 6. Reports & Comments Board
 - a. Vice Commodore Inventory is finished and the report has been given to the secretary who will attach it to the Minutes. In addition to itemizing the inventory, the date of the last time each item was seen has been made. Nothing new or exciting was discovered in doing the inventory beyond finding the horseshoes.
 - b. Rear Commodore Bob is still out with a broken hip
 - c. Past Commodore -Teri was not here
 - d. Treasurer Kimberley is very happy. We had an absolutely stupendous Charity Beach Party which brought in a very strong net profit with only a few, minor expenditures. Year to date, we are showing a very strong profit, most of it due to the Charity Beach Party at this point.
 - e. Secretary nothing
 - f. Directors at Large Tom had nothing. Mary-Jo had nothing other than that she is leaving on Sunday and will be gone until early April. She would like it noted that

- she votes yes on anything that comes up between now and then. Linda had nothing to report.
- g. Events: Past: Candelaria, Sea Life Presentation, and Beach Party. Upcoming: Super Bowl Party, St. Patrick's Day, more?
 - i. Candelaria was well done and very enjoyable
 - ii. Sea Life Presentation was very interesting and it was very well received, however, it should be noted that they did not clean up before leaving despite having food served during the event. It is important that we make sure all people who are booking the Vista Room for events, are made aware that they are responsible for cleaning up after the event including sweeping and wiping down tables. Perhaps some sort of expectations document that is received by people who book the room.
 - iii. Charity Beach Party as noted earlier, the event was a stupendous success with huge attendance and participation.
 - Lessons learned There is nothing in the SOP about decorations, but this is something that really helps to make the event feel festive. We should add something to the SOP so that future organizers don't find themselves struggling at the last minute to find appropriate decorations.
 - 2. We had a review meeting post-event in which further points were noted
 - a. It was difficult to ask organizations for donations during the holiday season, so maybe the date of the event should be something that is talked about to ensure that we can avoid this
 - b. The solicitation letter has a spelling mistake on it, which we should correct in order to look more professional.
 - c. The thank-you certificates we did a lot of handwritten, quickly filled-in certificates has less positive impact than a formally printed certificate. This should be added to the SOP if possible. It is worth the extra effort.
 - 3. Christy did up some banners for the Charity Beach Party that are non-year specific and can be used again in the future. Thank you to Christy.

4. Mary-Jo will talk to Patsy about updating the SOPs with these updates.

iv. Future Events

- 1. Super Bowl party at Anzuelos
 - a. It is a free get-together.
 - b. There will be a Super Bowl Pool as a fundraiser that will be done and the winnings will be distributed to three levels of winners and half will go to the club.
 - c. There will be a raffle as well with a number of small prizes100% of the profits will go to the club
- 2. Valentine's Day Social February 14
 - a. A free event
 - b. 4-6 pm
 - c. At the clubhouse.
 - d. BYOB and BYO Finger food. Please do not bring items that need plates or utensils. Bring your own FINGERS!!
- 3. St Patrick's Day
 - a. Heidi will meet with someone at La Costa to make arrangements for a St. Patrick's Day event.
 - b. Horseradish is the biggest thing to get a hold of. Heidi's daughter will bring some and any spices that are needed beyond what is in the bodega.
- 4. April 15 Wine and Cheese tasting event
 - a. \$12 per person with tasting notes and a bit of a bite to go with it.
 - b. Heidi will also see about some musical entertainment
- 5. The end of season potluck has been scheduled for May 6
- 6. There is some preliminary discussion of also having some sort of "change of watch" celebration after the general meeting in April to acknowledge what the outgoing board has given to the club in the past year. More details to come.

7. Old Business

- a. VHF Net Posters, channel 16b alert. Posters have been made, but not yet put up. They will be posted in the coming week or so. At this point about half of the time the NET hosts are making the necessary announcement about where to find the NET. We need to make sure that everyone is aware and that it becomes part of the routine. Steve will send a reminder to the organizer to make sure it gets priority.
- b. Nominations nominations begin 60 days prior to the elections, so it is still technically too early to begin announcing nominations, but it is the perfect time to start looking for people who might be interested in stepping up to be potential nominees. The election will be the third week in April, April 20th. Doug put out the nomination form and asked that anyone who is on the existing board who would like to keep their names on the list for election to please fill in their name and position. We should all continue to think about and talk to others about possibly stepping into some of the vacating roles.
- c. Power power is all ready to go.
- d. Merchandise
 - i. The men's t-shirts have arrived in red, green and gray. The cost is 149 pesos. The sale price will be 250 pesos.
 - ii. Ladies' shirts will arrive next week. They will likely be a bit more expensive. Pricing for them will be decided when we know more.
 - iii. Burgees should we buy more new burgees? A discussion was had. We will hold off for a few weeks before ordering any more burgees to see what happens with the t-shirt sales and decide then.
- e. Blood Drive Cindy was not present.
- f. Clubhouse Tables and Chairs, estimates whole set with one round table and four chairs (this set's chairs appear to be sturdier) 1495 pesos, square tables with same chairs as we have now are 1595. The better chairs individually are about 50 pesos more per chair. The sturdier chairs have no arms so are more accommodating to larger framed people. We have agreed to replace about half of the existing tables and to buy the better chairs to go with them. There are currently 14 tables and 52 chairs. We will replace the 7 worst tables and buy 28 of the sturdier chairs. Kimberley made a motion that we authorize spending up to 14,000 to replace the tables. Linda seconded the motion. The motion was passed unanimously.

g. Memberships update - The new fully digital membership process is being tested. We are just two weeks into the pilot so cannot make any clear analysis yet, but things seem to be going well now that the paper forms have been taken out of circulation completely. The memberships committee will meet in the coming weeks to discuss how to handle the question of continuing the PayPal payments. A report will be made along with the analysis of the pilot project at a future meeting.

8. New Business

- a. Events Chair Is there an Events Committee Budget? There is no ongoing budget for the events/social committee and in fact, there is no annual budget for any of our committees. Each event needs to propose a budget for upcoming events and get approval before the event.
 - i. Heidi also asked if we could make some general-use tablecloths that the club could use for events. It was suggested that the plasticized fabric with the cotton lining on the back would be best as they would therefore reusable and washable. Heidi will look into it and bring forward a proposal.
- b. Mary-Jo suggested we consider finding someone who would offer a water taxi service in the marina. It was suggested that this is not really a club issue. It would be a for-profit business and so not within our purview. A sewer pump-out service would also be a good one for the community but also not part of our club's responsibility.

9. Upcoming Meetings:

Next Board Meeting: 4 pm Thursday, March 9

Next General Meeting: 4 pm Thursday, March 16

10. Adjournment - Sue moved to adjourn at 5:08, Doug seconded the motion. The motion was passed unanimously and we were adjourned at 5:09.
